

Electronic Payment of Voluntary Contributions can be made to the school BSB: 066-109 Account #: 00900114 using the narration 'fees and your child's full name'.

From the Principal's Desk

As the end of the year draws near Teachers are finalising students' Semester 2 report. **This year the reports will be sent home via CONNECT.** If you are having difficulty accessing CONNECT or have not yet received an email with your login details please contact the office as you will need to access this communication platform to view your child's report. Troubleshooting and resolving issues are managed at a school level by Mrs Otley and Mrs Vine and correcting issues to date, has been a quick and easy process.

Mr Beavan is still recovering from an unfortunate infection after a routine hospital procedure. We are hoping he will be back at school before the end of the year.

Scitech

Students in Rooms 2,3,4,5 and 8 had a fantastic time on their Scitech excursion on Thursday the 2nd of November. Students enjoyed a range of planned activities, attended presentations and had free time to explore the many exhibits on offer. The excursion has inspired and motivated students to further explore science. Thank you to the parents that attended to assist with the excursion.

Behaviour Expectation Badges

Congratulations to Adriana and Paityn, the first two students to receive the 'Caversham Champs' expectations badge, having earned the four individual expectation badges for being Responsible, Safe, Respectful and an Achiever. We look forward to continuing to recognise students as they receive badges. Congratulations also to our Honour Certificate Recipients.

Choir Performance

On Friday 3rd November the school choir performed at the Bassendean Melody Club to celebrate Seniors Week. We received wonderful feedback from the audience who thoroughly enjoyed the performance and felt the students love of music really shone through. Thank you to parents of students who also attended to enjoy the choir performance.

Mathematics Session for Parents of Students in Years 2-5

Save the Date - Tuesday 28th November 9.00-10.00am in the School Library presented by Mrs Dell and Mrs Mortin. If you have a child in Years 3-6 in 2018 and are interested in attending this session please complete the slip below and return it to the office. The session will only proceed if we have sufficient attendance numbers. Students in Years 2-5 will bring home a copy of the slip below to assist parents in completing and returning them.

Expression of Interest - Mathematics Session for Parents of Students in Years 2-5

Please complete the below slip showing an Expression of Interest in attending the session and return it to the office by Tuesday the 21st of November.

I would like to attend the Mathematics Session for Parents to be held on Tuesday the 28th of November 2017 from 9am - 10am in the School Library for parents of students in Years 2-5.

Parent Name - _____ Student Name- _____

Parent Signature - _____ Student Year Level in 2018- _____
