

Electronic Payment of Voluntary Contributions can be made to the school BSB: 066-109 Account #: 00900114 using the narration 'fees and your child's full name'.

## From the Principal's Desk

Our Year 6 students are now proudly wearing their leaver's shirts and jackets. Taking our students on excursions and camps provides children with the opportunity to continue the development of social, decision making and independence skills. Thank you to Mrs Gillies, Mrs Francis and Mr Beavan for the extra hours that are involved in the running of a camp for students. Please take the time to read about their camp experience at the Department of Education Point Walter campsite.

## Year 6 Camp

Year 6 attended their annual camp last Thursday and Friday. It was held at Point Walter Recreation Camp Site. All students had an amazing time. We got to do lots of great activities with our friends. Many people made new friends as we had time to get to know each other better. We participated in activities like archery, flying fox, team building and orienteering. We also had a great walk along the river and a play on the sand spit, watching a wind surfer and returning a crab to the water. Anakin Skywalker was found and claimed as a new friend. The most fun was had rolling down the hill in the nearby park. Night time was lots of fun, sleeping in rooms with our friends. Meals were "So good", "delicious" and "filling". Thank you to Mr Beavan and Mrs Gilles and Mrs Francis for taking us to camp.

# Winter Interschool Sports

The Winter Interschool Sports Competition commences this week with the first games being held at our school vs Herne Hill Primary School. Parents are encouraged to come along and support our netball, soccer and football teams. **Games will commence at 1.15pm.** Students are reminded to return their Winter Interschool Sport permission slips and payment to their classroom teacher. Please see your classroom teacher if you have not yet received a copy of the permission slip and details.

## Hale 21

Our Year 6 extension students had the opportunity to connect internationally to schools in Russia, Ireland and Spain during their Hale 21 sessions recently. Below is an excerpt from an online article about the project -

*An idea formed and planning has been in place for only a matter of weeks. The Hale Future School platform and curriculum context has founded a project with incredible potential. Ms Kerry Gillies at Caversham Primary School, east of Perth, has been involved with Hale Future School for 4 years. Kerry's commitment to her most capable students saw her join the session from home last night as well. Kerry's technology skills inspire all regular members of the Hale Future School community each week as her students creatively utilise Kerry's passion for technology. Hale Future School values unique demonstrations of understanding, primarily perhaps; and the Caversham Primary students are always guaranteed to present their work memorably each week.*

*OneNote online is of course at the heart of the programme. WebEx provides a most reliable and stable virtual classroom. Microsoft 365, provided by Hale School, provides a portal for all students to securely meet and work. It is a breath-taking context. Our next session will see students presenting their demonstrations of understanding to their global classmates. Truly, an authentic audience.*

See more about Hale 21Future School by visiting -

## Visible Learning

More on Visible Learning -

Students also need to know what they are learning, and what is needed in the task to make them successful. These are known as :

**Learning Intentions or WALT (We Are Learning To....)**

and

**Success Criteria or WILF (What I'm Looking For....)**

We believe that our students can embrace learning challenges by developing a **Growth Mindset** which sets them on the road to reach even higher levels of achievement.

## P&C NEWS

### Reminder - Sushi Lunch

Back by popular demand, the P&C will be organising a sushi lunch for all students, including Kindy & Pre Primary, on **Friday 9<sup>th</sup> June**. The cost for this will be \$7.00 and the students will receive a container of 12 pieces of small sushi rolls. This will be **PRE ORDERED ONLY**. Options are Chicken Teriyaki, Tuna or Mixed Vegetables which includes avocado, carrot & cucumber. You also have the option of white or brown rice.

Below is an order form for students. This needs to be completed and handed back in to the front office no later than Friday 2<sup>nd</sup> June. **No late orders will be accepted.**
