From the Principal's Desk

With a little over three weeks of Term 2 remaining, teachers have been busy putting the finishing touches to the Semester One reports. We have a very busy couple of weeks remaining before a well deserved break.

Dance Lessons - End of Term School Social

Students in Mrs Eversden's class have been enjoying dance lessons and the upcoming School Social will be a highlight. The social is a celebration of the new skills students have learnt in the The Arts-Dance learning area. The children have the opportunity to practice their dances in the form of a social.

The venue is the community hall that is owned by the EDAC Community Church (opposite the school). The church operates from this hall but I wanted to clarify that it is not adorned with religious symbols. We are fortunate to have the opportunity to now have access to a large space that is so close to the school and within walking distance.

NAIDOC Week Activities

On Tuesday the 20th of June students from Pre Primary to Yr 6 will attend a Wanjoo Workshop performance by Gina Williams. **WINNER: INDIGENOUS ACT OF THE YEAR - 2013, 2014 & 2015 WA Music Industry (WAMi) Awards WINNER: 2014 ARTIST OF THE YEAR - NAIDOC and Perth Awards Australian Representative at the 2016 Festival of Pacific Arts (Guam)**

Gina is a Ballardong daughter; one of the 14 clan groups which make up the Noongar nation, covering the south west corner of Western Australia. She also has links to the Kija people of the east Kimberley region of WA. Her music is informed by an ancient culture and is drawn from a deep well of recent West Australian and an even deeper personal history. By official records, Noongar language is critically endangered (there are less than 400 recognised fluent speakers left). Wanjoo Workshops include story-telling, songs and question time. **There is no cost to parents for this workshop.**

Dogs on School Grounds

We wish to remind families that dogs should not be on the school grounds. Parents may approach their child's classroom teacher to arrange a classroom visit if their child wishes to share the news that they have a new puppy. This ensures that visits occur at a mutually convenient time and students that may have a fear of dogs or allergies to animal hair can also be appropriately cared for.
