Reminder that Friday June 3rd is a student free day! With Monday June 6th being a public holiday also we get 4 days straight for an extra-long long weekend 😊

Don’t forget to get your Lapathon donations organised for the big day this Thursday. So the students have time to collect funds after the event, forms and money must be returned by the 9th of June. Please ensure you put your child’s full name is on the top of the form so that we know who raised what. Looking forward to seeing all the smiling faces!

We are so excited that the school has an App now!!! Woohoo!!! To download the app just visit the App Store for iPhones or Google Play for Android’s, search for Updated by sponsor-ed and from the menu select our school. The school will receive your registration request and it will need to be approved before your app is up and running.

Looking for volunteers for the Book Fair next term. The Fair runs from Friday the 5th August to Friday the 12th of August and will be open before and after school, so if you can help out for one of those days please let the P&C know via their email address or Facebook.

On another note, parking at the school can be quite difficult, especially at peak drop off times. Steps have been taken to alter specific areas to make the whole procedure easier and safer for our children but the biggest change has to come from our parents and carers. We all need to be more courteous when parking, so please take the time to consider if you have left enough room for others to park? Could you move over a little to allow another car in? If I park on an angle does that block other cars from being able to park also? Thank you.

P&C Fundraising Meeting
Next meeting is on Thursday the 23rd June at 5pm

SCHOOL BANKING
Its great to see so many children banking on Wednesdays

FUNDRAISING EVENTS

Wednesday 1st June
Lunch Combo – Giant Sausage Rolls

Thursday 30th June
School Councillors DISCO
Details to be confirmed
Check future newsletters and the Facebook page for more info

When you mention you are with Caversham Primary, when making a booking you will receive 20% off your travel insurance.
Road Works Coast Road

The school has been notified there will be modified road layouts within the road reserve of Coast Road over the coming weeks. It is anticipated the works will take approximately 4-5 weeks. The work in the road reserve will involve a single lane closure controlled by temporary traffic lights, and will require all pedestrian movements to stay within the indicated safe areas on the unaffected road verge. At times pedestrians may be required to cross the road at a predetermined location.

We ask all families to be particularly cautious whilst travelling either on foot, by bicycle or by car during the road works and to be patient and courteous to other members of the school and wider community during this time.

UNIFORM SHOP
A reminder that the Uniform Shop volunteers open the shop on Monday from 2.30-3.30pm and Thursday from 8.30-9.30.

Payment for orders can be made online or by cash or cheque only.

No EFTPOS facilities are available.

Preventing Pedestrian Injuries
It is important for parents and carers to be a good role model, explain the road rules to children and supervise children when near traffic. Here are some guidelines to help keep children safe as pedestrians:

- Hold your child’s hand when near traffic, especially when crossing the road.
- Teach children to use the ‘safety door’ to get in and out of cars. This is the door on the kerb side behind the passenger seat.
- Teach children to use footpaths, but make sure they know to watch out for cars when passing or crossing a driveway.
- Explain words like “fast”, “slow”, “near” and “far”.
- Teach children to “Stop, Look, Listen and Think” before crossing the road and make sure to explain what this means.
- Teach children about safe places to cross the road including crosswalks and traffic lights.
- Talk about signs and explain what they mean.
- Make sure children wear clothes that are easy to see when out and about.
